

Historical Sightings 1958 Project Blue Book Unknowns

- Libya, Wheelus AFB: Sept. 1, 1958, 12:15 am. Witness: Philco technical representative A.M. Slaton. One round, blue-white object flew at varying speeds. First sighting lasted 2 minutes, second lasted 1.5 minutes.
- Philippine Islands, Bohol Island: May 9, 1958, 11:05 am. Witness: Philippine Airlines pilot. One object with a shiny, metallic surface was falling and spinning for 1.5 minutes.
- USA, California, Healdsburg: March 14, 1958, 8:45 am. Witnesses: Mr. and Mrs. W.F. Cummings and one other. A 3' round, black object touched the ground and then took off. Watched for 2 minutes.
- USA, Colorado, Pueblo: June 14, 1958, 10:46 am. Witness: airport weather observer O.R. Foster, using a theodolite. An object shaped like Saturn, less the bottom part; silver with no metallic luster, flew overhead for 5 minutes.
- USA, North Carolina, Ft. Bragg: June 20, 1958, 11:05 pm. Witness: Battalion Communication Chief SFC, A. Parsley. One silver, circular object, its lower portion seen through a green haze, hovered, then oscillated slightly, then moved at great speed. Watched for 10 minutes.
- USA, North Dakota, Minot: Nov. 3, 1958, 2:01 pm. Witness: M/Sgt. William R. Butler, medic. One bright green object, shaped like a 10 cent piece, and one smaller, silver round object. First object exploded, then second object moved toward the location of the first at high speed. Sighting lasted 1 minute.
- USA, Maryland, Lock Raven Dam: Oct. 27, 1958, 10:30 pm. Witnesses: Phillip Small, Alvin Cohen. One large, flat egg-shaped object affected a car's electrical system, and caused a burning sensation on one of its occupants. Sighting lasted 1 minute.
- USA, Michigan, Warren: Aug. 17, 1958, 7:05 pm. Witness: A.D. Chisholm. One extremely bright object shaped first like a bell, then like a saucer, hovered for 5 minutes, flipped over and sped away to the west-south-west. Sighting lasted 6-10 minutes.
- USA, Pennsylvania, Stroudsburg: Oct. 2, 1958, 2:30 pm. Witness: naturalist Ivan Sanderson. One dull-grey object, shaped like a pickle with a flat bottom, flew erratically and made loops for 15 seconds.
- USA, Virginia, Lynchburg: April 14, 1958. 1 pm. Witness: USAF Maj. D.G. Tilley, flying C-47 transport. One grey-black rectangular object rotated very slowly on its horizontal axis for 4 seconds.
