

## Historical Sightings 1962 Project Blue Book Unknowns

- Bermuda: Aug. 18, 1962, 5 pm. Witnesses: owner M. Sheppard and chief announcer A. Seymour of radio station. Three dull-white, egg-shaped objects wavered as they moved for 20 minutes.
- USA, Alaska, Kotzebue: Feb. 25, 1962, 7:20 pm. Witnesses: one U.S. Army private, six anonymous civilians. One red light, trailed 30 seconds later by a blue light. Sighting lasted 5 minutes.
- USA, Florida, Tampa: Nov. 17, 1962, pm. Witness: F.L. Swindale, college graduate and ex-USMC Capt. Three bright star-like lights approached, hovered and bounced, then faded after 11-15 minutes.
- USA, Illinois, Naperville: March 26, 1962, 11:40 pm. Witnesses: Mrs. D. Wheeler, Claudine Milligan. Six or eight red balls, arranged in a rectangular formation, became two objects with lights by the end of the 15 minute sighting.
- USA, Indiana, Indianapolis: June 21, 1962, 4 am. Witnesses: Lt. Col. H. King and tail gunner M/Sgt. Roberts, aboard a B-52 heavy jet bomber. Three bright, star-like lights: one seen; 10 seconds later, two more were seen. Total sighting took 3 minutes.
- USA, Kentucky, Wurtland: April 4, 1962, 0150Z. Witnesses: G.R. Wells and J. Lewis, using 117x telescope. One small object changing brightness, gave off smoke, but remained stationary like a comet for 6 minutes. Case missing from official files.
- USA, New Jersey, Bayhead: July 19, 1962, 9:30 pm. Witnesses: C.T. Loftus, H. Wilbert. Four or five lights darted about the sky for 7-10 minutes.
- USA, New York, Salem: March 1, 1962, 10:35 pm. Witness: Mrs. L. Doxsey, 66. One gold-colored box, 12-14"x3-4", flew straight and level across the horizon for 3-4 minutes.
- USA, Mississippi, WSW of Biloxi, in the Gulf of Mexico: Sept. 21, 1962, 7:37 pm. Witness: fishing boat captain, S.A. Guthrie. Two objects, red and black with orange streaks, one as big as the Moon, and the other smaller. Arced across the sky for 13 minutes.
- USA, Mississippi, Ocean Springs: July 29, 1962, 11:20 pm. Witnesses: Mr. and Mrs. M.O. Barton. One bright cherry-red, diamond-shaped object flew slow, hovered, made fast 1/2 loops for 10 minutes.
- USA, Massachusetts, Westfield: March 26, 1962, 10:45 pm. Witnesses: many unidentified young people. One large red ball flew or fell down, then went back up during 3-10 minute sighting. Note: May 26?
- USA, Utah, Farmington: Oct. 23, 1962, 3 pm. Witness: R.O. Christensen. One grey and silver ball, trailing what looked like twine with two knots in it, swerved, and climbed

away at a 45° angle, making a sound like a flock of ducks (rushing air). Twenty seconds.

- USA, Virginia, Richmond: June 30, 1962, 9 am. Witness: 13 year old Meadors. One red, star-like light seen for an unspecified length of time. No further details in files.
- West Germany, Ramstein Air Base: March 26, 1962, 1:35 pm. Witness: USAF Capt. J.M. Lowery, from an unspecified aircraft. One thin, cylindrical object - 1/3 snout, 2/3 tail fins - flew at an estimated Mach 2.7 (2,000 mph) for 5-8 seconds.
