

Historical Sightings 1965 Project Blue Book Unknowns

- USA, Illinois, Tinley Park: Aug. 4, 1965, 11:35 pm. Witnesses: two unnamed 14 year olds. One light moved around the sky for 16-17 seconds. No further data in files.
- USA, Maryland, Mt. Airy: March 8, 1965, 7:40 pm. Witness: J.H. Martin, instrument maker for U.S. Bureau of Standards. Six lights flew overhead slowly for 3 minutes.
- USA, Michigan, Oxford: May 7, 1965, 7:30 pm. Witness: M.E. Marshall. One light, like a satellite, split into two parts, one of which was copperish color, then two more joined up. One object may have been tumbling. Sighting lasted 1 minute.
- USA, Minnesota, Chisholm: Sept. 25, 1965, 9:55 am. Witness: Bett Diamon. Five orange lights in a row flew fast, and made an abrupt turn during the 1 minute sighting.
- USA, Mississippi, Keesler AFB: April 4, 1965, 4:05 am. Witnesses: USAF A/2c Corum, a weather observer; confirmation by college student, R. Pittman, not clear from available data. One 40' black, oval object with four lights along the bottom, flew in and out of the clouds for 15 seconds.
- USA, New Hampshire, Exeter: Sept. 3, 1965, 2 am. Witnesses: Exeter Patrolmen Eugene Bertrand, Jr. and David Hunt, and Norman Muscarello. One large, dark, elliptical object with a row of red lights around it, moved slowly and erratically around houses and trees, while lights blinked in sequence. Farm animals were very noisy. Sighting lasted about 1 hour.
- USA, New Mexico, Rodeo: Sept. 25, 1965, 10 pm. Witnesses: Dr. George Walton, physical chemist, and wife. Two round white objects flew side-by-side, at 30-50' altitude, pacing the witnesses' car for 6 minutes.
- USA, New York, Cherry Creek: Aug. 19, 1965, 8:20 pm. Witnesses: Mrs. William Butcher, son Harold, 17, and children. A large elliptical object, with a reddish vapor underneath, came close to the ground, then shot straight up into the clouds a few seconds later. Radio drowned out by static, a tractor engine stopped. When the object was on the ground, a steady beeping sound could be heard. Afterwards, a strange odor was noticed, and the next day, a purplish liquid, 2"x2" marks and patches of singed grass were found at the site. A bull bellowed and tried to break its bonds.
- USA, Ohio, Castalia: July 25, 1965, 9:15 pm. Witness: amateur astronomer M.D. Harris, 16. One bright blue star crossed 90' of sky in 10-15 seconds.
- USA, Ohio, Urbana: Aug. 30, 1965, 10:30 pm. Witnesses: M.A. Lilly, N. Smith, T. Nastoff. One white ball, 5-8' in diameter and trailed by a 2-3' light, hit the road 100' in front of the witness' car, bounced and flew away. Sighting lasted 3-4 seconds.

- USA, Oregon. Corvallis: March 4, 1965, 9:23 pm. Witness: W.V. Harrison. Three lights rose from the ground, several seconds apart. The next day, an oily spot was found at the site.
- USA, Texas, Dallas: Aug. 4, 1965, 9:30 pm. Witness: J.A. Carter, 19. One light flew fast, straight and level for 12 seconds. No further data in files.
- USA, Texas, Damon: Sept. 3, 1965, 11 pm. Witnesses: Brazoria County Chief Sheriff's Deputy Billy McCoy, and Deputy Robert Goode. One triangular object, 150-200' long, 40-50' thick at middle and dark grey, with a long, bright, pulsing, purple light on the right side and a long blue light on the left side. Came from distance to 150' off highway and 100' in the air. Purple light illuminated ground beneath object and interior of police car. Driver felt heat on his left arm. Initial sighting lasted 5-10 minutes. Second sighting occurred later that night.
- USA, Virginia, Williamsburg: Jan, 23, 1965, 8:40 am. Witness: Mr. T.F. Mains. One mushroom or lightbulb-shaped object, 75-80' high, 25' diameter on top and 10' bottom diameter; metallic grey with a red-orange glow on the near side, and a blue glow on the far side. The object made a sound like a vacuum cleaner. The witness' car electrical system was affected as the object moved away at an altitude of 4'. The sighting lasted 25 seconds.
- USA, Wisconsin, Kiel: July 6, 1965, 9:30 pm. Witness: Mrs. E.R. Hayner. One flashing light, like a satellite, was seen for less than 1 minute. No further data was in the files.
