1967 Project Blue Book Unknowns

- USA, Delaware, Odessa: Feb. 6, 1967, 8:45 p.m. Witnesses: Donald and Marie Guseman. One large, Saturn-shaped object, 50' in diameter and 20' high, with two bright lights, a green light on one side and a red light on the other. Hovered motionless over the trees, then slowly moved north and suddenly disappeared after 2 minutes.
- USA, Illinois, Galesburg-Moline: March 6, 1967, 4:25 am. Witness: Deputy Sheriff, Frank Courson. One object shaped like a rubber cup which is placed under furniture leg, with a dome set in the cup. Bottom of object spun rapidly, rim pulsed red. Approached witness and passed overhead at low altitude, making a hissing sound.
- USA, Illinois, Galesburg: March 9, 1967, 7:10 pm. Witnesses: two housewives. One object shaped like a pancake with a rounded top; object was pulsating red, with red lights around its rim. Approached witnesses and seemed to explode with a brilliant white light that lasted 10 seconds and almost blinded them. Then it accelerated to the north and disappeared.
- USA, Iowa, Onawa: March 9, 1967, 9:05 pm. Witness: Jack Lindley. One bright white, saucer-shaped object, as big as a jet airliner, flew straight and fast to the east for 2 minutes.
- USA, Iowa, Wapello: March 22, 1967, 10:20 pm. Witness: Douglas Eutsler, 15. Fluorescent, solid, multicolored lights stood still, then flew away at high speed after 1 minute.
- USA, Louisiana, Lake Charles: Oct. 18, 1967, 9 pm. Witness: John Herbert. One bright, fiery ball flashed four times while moving east, just above the tree tops. Sighting lasted 1 minute.
- USA, Michigan, Benton Harbor: March 6, 1967, 12:01 am. Witnesses: Jerome Wolanin, assistant news director of a radio station and former policeman, and wife. One round saucer or oval-shaped object with red, green and yellow lights around bottom rim which pulsed red. Flew level, east to west, and was joined by second object from west. First object opened top, second came over and hovered for 30 seconds and disappeared. Sighting lasted more than 40 minutes. Objects made hissing sound.
- USA, Michigan, Grand Haven: Feb. 27, 1967, 8:19 pm. Witnesses: Sheriff Grysen, wife and others. Large white light, with smaller red and green lights seen to the sides. Made almost instantaneous 90° turn to left, shot out over road and stopped, moving too fast to follow. Sighting lasted 1 hour, 11 minutes.
- USA, Mississippi, Lizevia: July 10, 1967, 5:50 pm. Witness: golf pro, Harold Washington (Capt, USMC, ret.). One object with a dome, the top colored gunmetal blue, the bottom the color of old lead. Moved east, crossed the highway tilted upward,

moved to the right, accelerated and disappeared into the clouds after 3-5 seconds. Object made a swishing sound.

- USA, Montana, Belt: March 24, 1967, 9 pm. Witness: truck driver, Ken Williams. One dome-shaped object, emitting a bright light, landed in a ravine. As the witness approached, it took off and settled back, hidden from the highway. Sighting lasted several minutes.
- USA, New Jersey, Scotch Plains: June 29, 1967, 1:30 am. Witness: truck driver, Damon Brown. One oyster-shaped object 200' wide, and 25-30' thick, with a huge red light at each end and one on the bottom, and a row of blue lights along the bottom, moving rapidly and then followed the witness' car for about 500', veered south and departed at great speed after 8-10 minutes.
- USA, North Carolina, Rural Hall: May 17, 1967, 8:30 pm. Witness: Red Ledford. One round, orange-colored object, similar in size to a small aircraft, zigzagged back and forth over a jet that was heading northeast for 5 minutes.
- USA, Ohio, New Winchester: March 26, 1967, 4 pm. Witnesses: man, woman, three boys. One oval object, which looked like copper or brass with the sun shining on it, flew from southeast to northwest with tumbling motion for 30 minutes.
- USA, Texas, Austin June 24, 1967, 3:12 am. Witness: artist, Ray Stanford. One solid, blue-white, elliptical object flew from northwest to northeast and stopped, seemingly in response to flashlight signal, for 1.5 minutes. The object then proceeded along its original path at high speed and disappeared behind clouds. Sighting lasted 9 minutes.
- USA, Wisconsin, Oxford: Feb. 20, 1967, 3:10 am. Witness: USAF veteran/truck driver, Stanton Summer. One orange-red object flew parallel to truck for 2 minutes.
