

Historical Sightings 1954 - Part 2

- France, Buchy: At intersection of Routes N28 and N319, Mr. R.L., of Rouen, saw a luminous craft takeoff while he felt prickling and was paralyzed. The engine of the car slowed down but did not stall.
- France, Cabasson: A 65 year old man was hunting with his dog, near the junction of the Brilliance Canal and the Durance River, when he saw a gray object, about 4 m long and 1 m high on the ground and 40 m away. It showed a dome from which two helmeted figures emerged. The witness fled, but his dog started toward the object. The dog soon retreated, walking awkwardly as if partially paralyzed.
- France, Calais: On the road to Boulogne a bluish object, clearly seen with a dome on top, dived toward the ground, became white and went away.
- France, Cenon: Between Cenon and Vouneuil, Yves David, 28, met a being in a diving suit who made friendly gestures. He was very small and had a voice "inhuman and incomprehensible." The witness could not move throughout the encounter. He saw the creature enter an object on the road, about 3 m by 1 m in size; it took off "like lightning," throwing a greenish light.
- France, Chabeuil: Mrs. Leboeuf was suddenly confronted with a creature resembling "a child in a plastic bag, with eyes larger than human eyes." This creature entered a flat, circular machine, which took off toward the northeast with a soft whistling. Traces. Witnesses in state of shock.
- France, Chaleix: A farmer, Mr. Garreau, saw an object the size of a carriage land in his field. Two men of normal height emerged through a sliding door. They wore khaki overalls and were of European type. They shook hands with the witness and said something like: "Paris? Nord?" (According to another version they spoke indistinct words.) They gave a pat on the back to Mr. Garreau's dog and took off at an amazing speed.
- France, Charmes la Cote: Roger Thiriet, jailer at Ecouvres detention center, was riding his motorcycle when he suddenly saw an aluminum colored object shaped like a plate, with a dome and two portholes. It was about 2 m in diameter and 1 m high. It took off immediately.
- France, Charmes la Cote: Roger Thiriet, jailer in Ecouvres detention center, was riding his motorcycle when he suddenly saw an aluminum colored object shaped like a plate, with a dome and two portholes. It was about 2 m in diameter and 1 m high. It took off immediately.
- France, Chazey Wood: Andre Cognard, coming from Gueugnon, was blinded by a light as a disk-shaped object flew low over his car.

- France, Chazey Wood, South of Gueugnon: Messrs. Jeannet and Garnier saw a reddish fireball fly low over their car as their engine and headlights died.
- France, Chereng: The crowd at a fair saw a luminous object arrive very fast in the sky, stop in flight, emit sparks, and come down to ground level. As witnesses rushed to the spot, it took off again.
- France, Cierde Riviere: Guy Puyfourcat, 22, who was coming back from the fields, leading a mare by the bridle, was surprised when the animal became restless. Rising from the side of the road, a gray object about 1.5 m in diameter flew over them. The mare rose about 3 m in the air, and the witness had to release the bridle. Then the animal fell like a mass and for 10 min was unable to move. At last, it rose and attempted to walk, but it was still trembling and stumbling with fear. The object had long since flown away at high speed. The witness himself had felt absolutely nothing.
- France, Cisternes la Foret: J. Augard and J. Chanzotte saw an oval object with a dome, emitting a bright white light, resting in a field. When they approached it, the object rose vertically, leaving a reddish trail, and flew to the northeast.
- France, near Long: P. Petit and his employee, Mr. Tillier, with a shop owner, Mr. Pecquet, saw an oval object on the ground. When it took off, the lights of a tractor went out. It measured about 4.5 m, emitted a bright light similar to a welder's torch. It came back, turned, and flew to the southwest. It made the same noise as a swarm of bees.
- France, Criteuilla, Madeleine: The car driven by a bricklayer, Mr. Fillonnau, stopped as a large ball of fire flew near it. A violent air displacement was felt. "The battery was dead and the headlights were burned out." Thorough police investigation failed to identify the cause of the phenomenon. BUFORA VI CAT gives location as Criteuil-La-Madeleine.
- France, Crocq: At Donjon de Montlaur, five persons, among them J. Dubois, saw a round craft maneuver, give off a blinding light. It had some openings or portholes, and seemed to land far from them.
- France, Croix d'Epine: A mechanic, Ernest Delattre, 19, was riding home on his motor scooter when an egg-shaped object, brilliantly illuminated, landed on the left side of the road 15 m away. He saw short, dark shapes "like potato bags" moving about the object. He sped up, saw the object, the size of a small bus, taking off while its color changed from orange to blue and then to grayish-blue. The witness fainted while telling his story. Two persons in neighboring villages independently reported observing the object.
- France, Dompierreles Tilleuls: A businessman, Mr. Vielle, was on Route N471 between Frasnés and Pontarlier when he saw a circular flying craft, which gave off a yellowish and a purple light. Losing altitude, the craft came very close to the ground, changed its course to southwest, and rose again in the sky. (Quincy; M 167).

- France, Dompierre: Messrs. Deschamp and Laclotre saw a craft, about 20 m diameter, 2 m high, come within 4 m of the ground for 3 or 4 min. It gave off a yellowish light and a glow extended for 4 m around.
- France, Doncourt Village: Farmers awakened by a whistling sound saw a flat object land near the woods. It soon rose very fast, vertically, and flew away. The ground was found calcined. Samples were taken by police officials for analysis.
- France, Epoisses: Between Epoisses and Toutry, Daniel Grapin and Francois Bolatre, topographers, saw a luminous sphere 3.5 m diameter on the ground near Route N454.
- France, Farm Lachassagne: Mr. Cisterne, who was coming back with his tractor, saw a luminous object fly very low over him. Two other witnesses.
- France, Feyzin: A white light suddenly swept the road in front of Roland M., 19, who observed that it came from a large, dark object 10 m above ground. It flew away with the noise of a wet firework, throwing magnesium-like sparks.
- France, Figeac: Children saw "a box" and "an unknown man" standing nearby. The object took off.
- France, Fonfrede: Baptiste Jourdy, who was making the daily collection of milk, was suddenly stopped as the engine and headlights of his truck died. He got out and saw a light above him. After it crossed the road, the headlights came on again and he was able to restart his truck.
- France, Fontenay Torcy: Mr. and Mrs. Lherminier saw a cigar-shaped red object dive toward them with a reddish trail and land near the road. Upon reaching the top of the hill, they were confronted with a bulky human figure, about 1 m tall. The creature wore a helmet and his eyes were glowing with an orange light. One witness fainted on the spot. Four others saw the object in flight from separate locations. The countryside was illuminated over 2 or 3 km.
- France, Fouesnant: Truck driver Rene Le Viol saw a flat craft, shaped like an inverted plate, fly very low toward the sea. A second disk followed shortly afterward. Both emitted a red glow.
- France, Foussignargues: People in a bus saw a reddish light coming down. Later Mr. and Mrs. Roche noticed an object on the ground, softly glowing, a short distance from their home, but were afraid to approach it. It remained there for several hours. It was described as "a sort of glowing tomato, with antennae on top."
- France, Froncles: Mr. and Mrs. Alexis Lartillot and Georgette Mongot observed a large, bright object oscillate, then land. It changed color and was lost to sight behind some trees.
- France, Grand-Couronne: Jean Andrieux, ferry operator, saw a large white sphere, with a smaller green sphere below, hang motionless above the Seine for 20 min. Two witnesses. It eventually flew away to the southwest.

- France, Guebling: A disk emitting a weak green glow landed in a field. Witnesses: Messrs. Domant and Gilcher.
- France, Harponville: Between Harponville and Contay, two bricklayers, Emile Renard, 27, and Yves Degillerboz, 23 saw an object floating in mid-air over a field: "It looked like an unfinished haystack, with a plate turned upside down on top of it." When they approached, it took off. Diameter 10 m, height 3 m. A kind of door was noticed. The observation lasted over 3 min. The object released smoke when it departed.
- France, Heimersdorf: Anny Pracht, her sister Roselyne, and two other persons saw a luminous object on the ground. It became fiery red in color and flew away when they came near.
- France, Heiteren: Mrs. Spinner and another witness saw a flying object come from the west and land 1 km away.
- France, Hennezis: The two Lanssellin children witnessed the landing of a luminous, red object shaped like a half-egg, and saw two occupants who looked like normal men.
- France, Isbergues: A steelworker observed a luminous sphere land in the countryside; it then emitted lights of various colors.
- France, Isle of Re: As he was returning home near La Flotte-en-Re, Celeste Simonutti saw a bright light and, fearing a fire, rushed to the scene. There he observed a luminous sphere 12 m in diameter hovering at 1 m altitude, turning red, blue, and taking off.
- France, Issenheim: Lucien Fisch saw an object land near Route N83. It was luminous.
- France, Jarnac: Two luminous spheres were seen flying in the same direction. Having stopped and maneuvered in midair, the larger one took on a deep red color, turned to an intense white light with a red aura, and both landed. Witnesses did not wait.
- France, Jettingen: A railroad employee, Rene Ott, saw a mushroom-shaped object 3 m in diameter, in a field 3 m away from Route N16 and 1 m above ground. A luminous rectangle, like a door, was seen on the side. It took off and flew about 5 m above the witness, following him to the next village.
- France, Jonches: Two creatures were seen on the ground, and two hours later a luminous red object was observed at the same spot, at very low altitude. France.
- France, Jussey: Two young men saw a luminous white disk moving in the sky. It dived to the ground and two men, described as being very tall and dressed in white, emerged from it and made gestures. The witnesses ran away in fear.
- France, La Fere: Near the military barracks, soldiers saw a strange object on the ground 300 m away. As one of them approached the torpedo-shaped object, which was about 80 cm high, he found himself paralyzed.
- France, La Madiere: Aime Boussard, 47, a farmer, was suddenly confronted with an individual of normal height (1.6 m) wearing a sort of diving suit with a pale green light

on either side of the helmet. The individual aimed at the witness the beam of two blue lights, and he was thrown backward. No craft was observed.

- France, La Rocheen Brenil: Raymond R. saw a craft, which made a noise like a large transformer and gave off an orange light, land in a pasture. Three men in dark coveralls were standing nearby. One was holding a sort of box, "which emitted a beam of light three meters long." The other two were holding objects that looked like weapons. Another witness fled and felt prickling on his face as he ran. Four photographs of the scene were taken. Traces: a whitish substance and a circle 3 m in diameter where the ground had an ash-like appearance.
- France, La Roulerie: Near Saint Jan d'Angely, two businessmen, Messrs. Estier and Phelippeau, who were driving back from Royan, saw a little man crossing the road in front of their car. Having stopped, they saw the figure disappear into the woods.
- France, La Tessoualle: Andre Chaillou felt prickling in his hands, "in spite of his gloves," when a blue disk came close to his motorcycle and his electrical system failed. He was unable to move or articulate a word for several minutes. As soon as the blue light was turned off, he started again and went near the light when it reappeared 200 m away. He saw the object, a cone 5.5 m in size, rise vertically with a soft whistling, then fly horizontally to the north.
- France, Le Jou: The Patient family witnessed the landing of a bright object giving off a magnesium like light, a red glow, and a narrow beam of light. It took off again a moment later and followed their car until they reached Fontland. Policemen in Plombieres and several independent witnesses observed the object as it flew erratically over the area for 60 min.
- France, Lacanche: Mr. Labonde was driving at the intersection of D14 and D104 when he was followed by a sort of luminous globe surrounded with a reddish glow, about 2 m in size. It stayed within 25 m of the car.
- France, Lavoux: Mr. Barrault was riding his bicycle when he suddenly saw a figure in a diving suit aiming a double beam of light at him. The individual had boots without heels and very bright eyes, walked on the road for one minute and went into the forest. The witness was "paralyzed" throughout the incident. The entity had a hairy chest and two lights, one above the other, in front of him.
- France, Leguevin: Jan Marty, 42, mechanic, was in his shop when he saw a luminous disk about 6.5 m diameter and 2.5 m thick, land. He tried to approach it, but the craft rose vertically and silently at an amazing speed.
