

Historical Sightings 1954 - Part 4

- France, Ronsenac: A circular craft was seen by Jean Allary between Montmoreau and Villebois-Lavalette. It seemed to be gliding on the ground. It showed luminous spots and became completely illuminated when it took off. It was about 1.2 m high. Grass was found flattened and scorched over an area 7 m across.
- France, Royan: Mr. and Mrs. Labassiere and other witnesses saw two disks in the sky, one orange and the other red, with a sort of luminous "bridge" between them. They landed, and one dwarf came out of each craft and went into the other without any sign. After this exchange of pilots both objects flew away with a tremendous flash.
- France, Saillat sur Vienne: Roger Gayout and family saw a very bright object come very close to the ground.
- France, Saint Ambroix: Several witnesses saw seven small beings flee into a phosphorescent object when they were approached. It took off immediately. It is claimed that "unknown seeds" were found at the site.
- France, Saint Cyrsur Mer: Leon B., a city council member, saw a circular, orange craft take off from the ground.
- France, St. Etienne-sous-Barbuise: Marcel Guyot was coming from work near this village, and his son Jacques followed the same road 10 min later. Both saw, at a railroad crossing, three objects on the ground that gave a bright white light. One was circular, the others cigar-shaped.
- France, Saint Germain de Livet: A math professor, Mr. Bon, observed a silvery disk about 7 m in diameter rise silently from a point about 250 m to the side of the road. Spinning, it dived to the ground from an altitude of about 800 m, then flew off horizontally at a dizzying speed.
- France, Saint Germain du Bois: Mr. Lonjarret observed a luminous orange object on the ground near a corn field.
- France, Saint Hilaire des Loges: Mrs. Boeuf was coming out of her farmhouse when she saw a luminous disk in the sky and called her family. When everyone saw the object come closer, they locked all doors and spent a sleepless night. They did not observe the object's departure.
- France, Saint-Jean-d'Asse: On Route N138, a truck driver, Mr. Tremblay, saw an intense, blue light coming toward him. The object producing it was cigar-shaped, red and blue. Engine and headlights died.
- France, Sainte Marie d'Herblay: Gilbert Lelay, 13, saw a phosphorescent cigar in a pasture and a man near it, wearing a gray suit, boots, and a gray hat. He held a flashing

sphere and told Gilbert in French not to touch it. He went back inside the craft, which flew in loops and vanished.

- France, Saint Nicolas de Redon: At "La Butte Rouge" two railroad engineers, Bernard and Potraux, who were bringing a locomotive from Nantes to Auray, saw a dark object take off with a purple glow and follow them for 15 sec before veering off. Potraux had to see a doctor.
- France, Saint Pierre Halte: A baker saw a brilliant yellow craft descend rapidly and land on the railroad tracks. It was shaped like a mushroom, about 4 m diameter, 2 m high.
- France, Saint Point Lake: Miss Bourriot saw a bright red light on Route N437 near the old factory. Near it were three beings. Two dwarfs crossed the road ahead of her; the third was a man of medium size. The craft took off, flying over the lake at high speed.
- France, Saint Romain: Mr. B. saw a circular craft shaped like an upside down plate. At the same time, the engine on his motorcycle stalled. In the same area an engineer saw a luminous object coming down rapidly.
- France, Saint Valery: Several unknown objects maneuvered for 2 hrs near this village. One of them was very brilliant and landed in a pasture. Two others were seen near the cliff in Mers, and seemed to be in communication by means of light signals with objects in another group.
- France, Sassier: Messrs. Gallois and Vigneron who were driving from Clamecy to Corbigny felt an "electric shock" as the car headlights died. They then saw a craft in a pasture 50 m away. It was cylindrical, fairly thick, and three dwarfs were standing close by. No light was seen, except a small, reddish point. Both witnesses were "paralyzed" until the craft left. A third witness, Mr. Chaumeau, had seen a lighted object fly over the woods at La Carie.
- France, Soubran: Several local people saw a luminous, spherical object land in a pasture.
- France, Taupignac: Three men driving near Taupignac got out of their car to observe an intense red sphere in the sky. Then they discovered a round machine with a dome, 6 m diameter, giving off a yellow-red light, 200 m away at 10 m altitude. It was motionless and silent. It suddenly moved horizontally for a short distance and landed behind a woods. Two witnesses went closer and saw four dwarfs, 1 m tall, who seemed busy with the machine. The creatures rushed inside when the witnesses arrived within 15 m. The witnesses was blinded by a sudden burst of light blue, then orange, then red, and the object took off vertically at fantastic speed.
- France, Thieulloy la Villeand Beauvais: Mr. Covemacker saw an object fly over his car as the headlights died. It went on toward the north, seemingly following a train.
- France, Thin le Moutiers: An object landed about 30 m away from a woman, who fainted. The witness suffered from a skin disease following the incident.

- France, Tregon: Several people noticed an object hovering near a hilltop. They drove to the site, but it flew away. What seems to be the same object was seen at Megrit, 25 km to the southwest, hovering over a farm. It was described as metallic, flat, emitting light.
- France, Turquenstein: Mr. Schoubrenner, 25, a truck driver, saw a bright light in the distance and soon found his road blocked by a strange object. The engine died, and he felt paralyzed: "My hands were as though glued to the wheel." The craft looked like an inverted cone, the lower part phosphorescent, the middle dull, the top luminous with a yellow or orange point.
- France, Varennes: A strange object hovered low over the house of Mr. Lucas and left straight up.
- France, Varigney: Several witnesses, among them Mr. Beuclair a policeman, saw a bright red dome-shaped object descend to ground level 20 m away. The underside showed red and white lights.
- France, Vielmur: Roger Ramond, a night watchman, saw a great light and noticed an oval object which landed 300 m away. It looked like a fiery orange ball, illuminated the vineyard for nearly 3 hrs, then assumed a vertical position, rose slowly, hovered 30 m above ground for a few seconds, and took off at fantastic speed.
- France, Villers-le-Lac: Two women, Mrs. Salabrino and her daughter, saw a whitish light in the western sky. It seemed slowly to come toward the ground, and was later seen between the railroad station and the bridge 100 m away from their house. When it moved, a very bright light was visible under its dark mass. It gave off a flow of sparks and rose, hovered for a moment and flew away rapidly.
- France, Villers-le-Tilleul: Ten-year-old Bertiaux saw an object "like a tent" and an unknown man near it.
- France, Voussac: In the Vacheresse Forest, reliable persons reported seeing a luminous sphere land at the edge of the forest and become dark. The next morning, investigation disclosed that an area 4 or 5 m in diameter had no leaves, while the ground elsewhere was covered with them. The earth seemed to have been dug up.
- Germany, Dorf Gull: Ernst Jung and his wife saw an intense red, luminous object descending toward them at great speed. It hovered 5 m above ground when they stopped their motorcycle. It was cigar-shaped, 5 m long, 2 m wide. They saw it turn off its lights and fly toward the forest. Other people in a bus saw the same thing.
- Germany, Rinkerode: Willi Hoge, a projectionist, saw four occupants of an object that had come to ground level 70 m from the road. He was returning home when he observed a blue light and thought an airplane had made an emergency landing. The object was cigar-shaped, and four men wearing rubber coveralls were working under it. They were about 1.2 m tall and had very large chests and oversized heads; their legs were short and thin.

- India, Bihar, Manbhum: A UFO sighting occurred on September 15, at Manbhum in Bihar state. Ijapada Chatterjee was managing the mica mine outside Manbhum when he heard the miners shouting. Rushing outdoors, Chatterjee watched a saucer-shaped object descend to an altitude of about 500 feet. The UFO hovered, then soared upwards at terrific speed, causing a tremendous gust of wind. The object was seen over a mine which has supplied beryllium for the U.S. Atomic Energy Commission.”
- Iran, Mahallat: Many farmers observed the landing of a "marvelous luminous object, " hemispherical in shape, emitting multicolored beams. The central part appeared to be metallic. The object shot straight up suddenly and vanished while the crowd watched.
- Iran, Shamsabad: A man coming out of his house saw a luminous object resembling a bright star. Coming near, he observed it was an object 5 m long, near which a "short young man" was standing on a circular piece of metal, laughing at the witness's terrified expression. The witness was 20 m away when the craft took off at unbelievable speed.
- Iran, Teheran: Ghaseme Fili, of Amireah Street, was on the second floor of his house when he saw a luminous, white flying object stop in mid-air 20 m away. lights were shining from the rear and the sides of the craft, inside which could be seen a small man dressed in black, wearing a mask with a trunk like an elephant. "I was standing with both hands on the bar of my balcony, looking with astonishment at this strange object, when I suddenly felt as though I were being drawn up toward the object by a magnet." Mr. Fili cried out in terror and woke up his neighbors. The object shot straight up, emitting sparks, and it was lost to sight almost immediately.
- Italy, Boaria: A farmer leading cows to a pond suddenly saw an object fly over his house. The cows panicked and ran away, throwing a girl to the ground, while the object emitted a burst of light. The witness ran to the house and fainted; three other persons saw the craft depart. Dark, surrounded by short blue and yellow flames, the object was egg-shaped, flew 15 m above the ground, and emitted intense heat. The little pond was found desiccated, and haystacks caught fire as it flew over, while the cattle suffered burns.
- Italy, Calcerosa: Two 12 year old boys, G. Marziano and P. Santucci, suddenly saw three figures who, as soon as they were discovered, entered a small spherical craft concealed 10 m away behind some bushes. The beings were small, about 35 cm tall, had very large heads and lead gray skin. The craft had two sharp pointed propellers in front, which started spinning. The craft took off suddenly with a hissing sound.
- Italy, Cape Massulo: On Capri, an artist Raffael Castelle, saw a disk 5 m in diameter land on the property of Curzio Malaparte. Upon approaching it, he discovered it was not a helicopter and saw four dwarfs wearing coveralls emerge from it. After 30 min the craft made a soft whirring sound and rose vertically, leaving blue sparks.
- Italy, Caselledi Nogara: For several minutes a waiter saw a circular object stationary in a pasture 50m away. It was blue with symmetrical openings, from which a bright red light was emitted. The witness got a rifle and fired twice at the very tall figure who

came out of the turret on the craft. Immediately a very strong wind was felt, and the craft took off amidst a reddish glow.

- Italy, Ciolica Alta: A young man named Fabrizio Bruni heard a strange hissing sound and saw an object in a field. It was stationary, 1 m above the ground, seemed transparent and emitted a blinding glare. The witness fell on the ground "because of his strong emotions" at the sight. The object took off vertically and suddenly, leaving a trail. Very white, glistening threads were found on the ground.
- Italy, Cremona: Two students, Pietro Alberini and Pericle Sacchi, who were hunting, saw a dwarf 1 m tall with a "rubber" head and a flexible tube connecting his face to a cylindrical container on his back. When they came close to it, the being wrapped itself in a bluish cloud. The witnesses ran away.
- India, Dhubri: A woman reported to police she had seen a luminous disk leaving a long trail. It landed in a field, then took off again.
- Italy, Fabriano: Two men saw a disk-shaped object, 6 m diameter, hovering and emitting small violet flashes. On top of it was a very high antenna. Two small robot-like beings, 1.2 m tall, descended from it on a long ladder. Their eyes were "sharp" and dark red. They said something that sounded like "Dbanoda skigyay o dbano," went back aboard their craft, and flew away.
- Italy, Forli: A strange beam of red light, apparently from some flying source, was reported sweeping the countryside. As it illuminated two tractors, one of them stalled, but the other, a diesel, continued. The beam was seen for about one hour by a large number of persons.
- Italy, Gorizia: Italy, Filippo Corridoni saw a half empty balloon at ground level near the Isonzo River. Near it, a disk 10 m in diameter was resting on a strange frame. The upper part was white with a black dome-like turret, around which was a series of portholes, some illuminated with a very bright, bluish-white light, which suddenly went out as the object took off spinning and rising vertically, pulling the balloon with it.
